2019 Association
 Membership Renewal: \$25

Dear Friend,

Attached you'll find the form to begin your membership or renew it for 2019. On behalf of the board we would like to thank you for your annual support of \$25 which gives us a united voice that is heard at our local, regional, and state levels as we protect our home and lake environment here in the Hackensack area. **This year we are asking our members to consider an additional donation to our *Special Projects Fund*.** As you are likely aware the spread of AIS (Aquatic Invasive Species) in our six lakes would be devastating. Our board is currently working through the winter via a sub-committee to determine any and all means of prevention (watch for updates in our newsletters). The bottom line is we want to build our reserves NOW so we have the means to address AIS well into the future. So, we appreciate your 'consideration' of an added donation to this fund. If you have the means to do so wonderful, you are donating to a cause that will help preserve our chain of lakes for our children and theirs. Of course this is by no means mandatory it is simply a request to strengthen our association. Thank you for being a member of our organization and for your consideration.

Brian Laudenbach, President
