2022 Association Membership
 Renewal: \$35

Dear Friends and Neighbors,

We all hope this letter finds you well! Attached you'll find the form to begin or renew your 2022 membership. Although the membership dues have increased slightly this year to help cover the organizational needs, the fee still appears to be a great value at \$35. On behalf of the board, we would like to thank you for your annual support.

As your new president I will continue our membership's efforts for the important programs such as AIS, buoy placement, water clarity/quality testing and a renewed fisheries program. We will also continue our effort to solidify our processes and procedures in regards to our 501(c)3 charitable status.

Please consider an additional donation to our Special Projects Fund. AIS (Aquatic Invasive Species) prevention and education is a major concern, so we continue to work with state officials and regional partners.

REMINDER: Due to our transition to a 501(c)3 charitable we can no longer accept pass-through donations to the Local Fire & Rescue organizations. If you would like to support these groups, please donate directly.

Lake Association Annual Meeting: Saturday, July 30, 2022 @ 9:00 AM (Zoom or In Person Yet to be determined). Please watch our Lake association web site for updates our6lakes.org.

On behalf of the board, thank you for your annual support.

Randy Turnacliiff-President
